

ALTERNATIVE HEALING CHIROPRACTIC

49100 Pontiac Trail | Wixom, MI 48393

Office: (248) 669-1109

Fax: (248) 669-2552

July 1st, 2020

In light of the ongoing COVID-19 pandemic, our current office policies and protocols have been updated to reflect and respond to the growing evidence surrounding viral spread, as well as remerging spikes in COVID-19 cases.

- ◇ All patients must wear a mask for the entirety of their visit. Masks must be donned prior to entering the building, and must be worn properly (i.e. so the entire nose and mouth is covered). Any patient forgetting or refusing to wear a mask will be asked to leave immediately and reschedule at a later date.
- ◇ Office hours will be 8am-12pm, Monday-Saturday. The office will be closed in the afternoon and evening hours to allow for stringent sanitation of the facility.
- ◇ All appointments must be made by phone. Walk-ins must call the office from their car and undergo screening prior to entering the facility.
- ◇ Any patients who previously tested positive for COVID-19 will need a negative nasal swab prior to entering the facility.
- ◇ Any patients exhibiting any fever, cough, shortness of breath, sudden loss of smell or taste, or new upper respiratory symptoms **within the last 14 days** will not be permitted to enter the office.
- ◇ Any patients with exposure to persons with confirmed or suspected COVID-19 **within the last 14 days** will not be permitted to enter the office.

I am planning to stay open Monday afternoons by the end of July, but will base the decision on the number of new cases per day and whether there is evidence of another surge.

I will be readily available by phone or email for any patients with questions or concerns regarding their health. Thank you for your understanding during this critical time, and I will do my best to keep you all updated as the COVID-19 pandemic evolves.

Sincerely,

Dr. Gavron
